

## Mulligan

This was my thinking upon hearing some Christian leaders giving adultery a mulligan for persons in leadership positions. The illustration shows adultery being relegated to a sinkhole ..... known to usually get more severe in time....a metaphor suggesting if one Commandment is discarded will more follow?

This was done some time ago but when I heard a sinkhole actually opened up on the Whitehouse grounds I was reminded of it, and of a simple anecdote:

When Moses came down off the mountain he told the people he had good news and bad news:

the good news was that God allowed him to reduce the Commandments to Ten, but the bad news was that Adultery was still among them.
